Embrace the extraordinary.

Look for the exceptional everywhere — in a sculpted body as bold as it is refined, with modern lines and form. Its redesigned exterior is matched with a premium interior.

Command everything. Lean on capability that lets you explore what's beyond. Outsmart city streets. Tap into technology that seamlessly connects you to your world. Introducing the New Nissan Terra.

360 SAFETY SHIELD

See your way through curbs,
tight spots, and sharp corners.

From squeezing through narrow city streets to nabbing the perfect parking spot, the Terra's 360° Safety Shield will help you feel secure and confident anywhere you drive.

Intelligent Around View Monitor*

Finally, parking is easy. Using four cameras, you get a virtual 360° birds-eye view of your vehicle with split-screen close-ups of the front, rear, and curbside. With Moving Object Detection, the system detects movement, so no surprises will get in your way.

On rough terrains, the Intelligent Around View Monitor becomes your personal spotter. Get a clear view of the surrounding area and know exactly where to drive your front wheels.

Rear Cross Traffic Alert*

Fear no parking space. When you're backing out of a tight spot, you've got a partner that watches your Terra's rear. This feature detects incoming cars from either side and alerts you with visual and audible warnings.

*Available in VL variants.

360 SAFETY SHIELD

Let peace of mind unlock
your joy of driving.

Imagine having an extra pair of eyes to check your blind spot, or watch what you can't see up ahead. What if you had some help when you really needed it? Like an invisible foot on the brakes when traffic suddenly stops. This is Nissan Intelligent Mobility's 360° Safety Shield — technology that serves as your partner on every drive.

Blind Spot Warning*

Helps you keep an eye on blind spot areas. It gives you visual and audible alerts when it detects vehicles hidden from sight, so you have more confidence when changing lanes.

Intelligent Forward Collision Warning**

The Terra is on the lookout to keep you safe. It detects and alerts you when sudden deceleration happens in front of you. It also warns you when you need to slow down.

Intelligent Emergency Braking**

Help is ready when you need it. The Terra monitors your speed and the distance from the car in front. It gives you visual and audible alerts when you need to slow down, and automatically engages the brakes to help avoid a collision or lessen the severity of the impact.

Lane Departure Warning**

Enhances your safety by making sure you only change lanes when you mean to. It gives you visual and audible alerts when it detects an unintentional lane departure.

Intelligent Driver Alertness**

Analyzes driver steering behavior to send an alert if signs of drowsiness or inattention are detected. A coffee cup on the instrument panel display indicates that it might be time to take a break from driving.

*Available in VL variants.

**Available in VL and VE variants.

INTELLIGENT REAR VIEW MIRROR

Magic in a flip of a switch.

Luggage, passengers, or even bulky cargo — if only there was a way to get a clear view despite having a full vehicle, right? This is where the magic happens. With this amazing mirror, it's a case of now you see them, now you don't. Be more confident and let go of the stress by making all obstructions disappear.

Intelligent Rear View Mirror*

When you need a clearer rear view, go from mirror to monitor in just a flip of a switch. When turned on, a camera at the rear hatch expands your rear field of vision, helping you see around obstructions for a completely unimpeded view.

*Available in VL & VE variants.

Intelligent Rear View Mirror

Shift-on-the-Fly

Choose between 2WD and 4H to go from maximum fuel efficiency on the highway to serious adverse weather capability on command.

When conditions turn really nasty, you can stay confident and in control. Just twist the dial to 4LO and count on this capable system to get you to your destination — in rocky, muddy, or sandy conditions.

Power through
on your own terms.

Whether it's the city streets, the off-road, or the muddy woods, count on the Terra's muscle and efficiency to get you through confidently. Add the 7-Speed automatic transmission with manual mode, and you've got full control of your drive.

2.5L
YD25 4-CYLINDER DIESEL

ENGINE:	INLINE 4-CYLINDER, DOHC, WITH VARIABLE TURBOCHARGER (VGS) AND INTERCOOLER

OFF-ROAD TECHNOLOGY

Command everything.

With the Terra, family outings get a whole new meaning. Tough engineering plus advanced technology let you do things on a different scale. A durable suspension and rigid fully-boxed ladder frame resist bending and twisting to keep you moving over tough terrains. Smart features like the 4-Wheel Active Brake Limited Slip help you power over extra challenging roads. Time to gather up the crew and head out for a new adventure.

**Hill Descent Control***

Going down steep hills are more manageable with this technology. It automatically adjusts your speed and brake pressure to help you cruise along safely.

**Hill Start Assist****

Helps you in managing steep inclines and hill ascents, preventing the vehicle from rolling backwards. It holds pressure on the brake for a few seconds, providing enough time to switch from the brake pedal to the accelerator.

*Available in VL 4x4 variants only.

**Available in VL variants.

SMARTPHONE INTEGRATION

Connectivity for everyone.

Even when you're out creating adventures with the whole family, it's nice to stay connected all the time. With an impressively large Nissan 9" Advanced Touchscreen Display Audio, your information, music, and contacts will always be right in front of you. You can access it through the controls mounted on the steering wheel.

Need to charge your gadgets? Everyone stays powered with Type A and Type C USB ports inside the Terra. No more cables available? You'll never run out of battery with its cutting-edge wireless charging. Finally, you have a vehicle with technology that keeps up with you.

*Available in VL variants.
*Device compatibility may vary.

BOSE

BOSE® Premium Audio System gives you high-quality sound that almost feels like live music. The Terra has 8 speakers strategically placed inside the vehicle so you can hear every instrument from all angles.

Works with
Apple CarPlay

Wireless Apple CarPlay brings along your contacts, messaging apps, playlists, and more, with the help of Siri. Effortlessly sync your iPhone and go.

works with
androidauto

Android Auto knows where you're going and when. It's got Google Maps and Google Assistant to help you navigate and stay on top of your schedule. Pick songs, change destinations, or reply to texts hands-free through voice commands.

A photograph showing the interior of a car from the passenger side. Two women are seated in the second row, facing each other and smiling. They are both wearing white short-sleeved shirts and dark pants. The car has black leather seats with a quilted pattern on the backrests. A seatbelt is visible across the woman on the left. The windows show a scenic view of a road, green hills, and a blue sky with clouds.

PREMIUM RELAXATION

Travel in utmost comfort.

With the Terra's premium interior, the whole family gets to experience comfort and luxury in-transit. Go on full vacation mode with its quiet cabin complemented by its sliding and reclining second row seats. Add in the 360° vents on the dedicated rear air-conditioning and going anywhere together becomes more enjoyable than ever.

Enjoy deluxe treatment, no matter where you sit.

Get used to finer rides with an interior curated for you, and your passengers too. Every ride feels splendid with plush leather-appointed seats*, featuring the Dual-Zone Climate Control with Rear Cooler for each row. Road trip? You're in for a premium experience. Zero Gravity front seats provide ample support to ensure comfort and help reduce fatigue. Theater-style seating gives your whole crew a great view along the way.

Tip-Up Easy Entry Second Row Function with One-Touch Remote Fold and Tumble Function

With a flip of a lever, the second row effortlessly folds and tumbles in one motion. It can even be remotely controlled from the driver's seat with a press of a button.

11" Flip-Down Rear Monitor*

Turn long trips into a premium movie theater experience with an 11" monitor.

Dual Zone Automatic Climate Control* with Rear Cooler

Dial in the comfort with conveniently reachable rear air-conditioning control.

Never hear "Are we there yet?" again.

As a family SUV, the Terra has a few tricks up its sleeve to keep the kids entertained. Play a movie they love through the large 11" Flip-Down Rear Monitor. Thanks to the built-in HDMI connection port, they can also play their favorite video games while on the road. You have a lot of options to make your trips more memorable and exciting.

*Available in VL variants.

ALL ACCESSORIES

Give your new family SUV a bolder look with these accessories.

Luggage Net
Keeps your groceries, gear, and accessories properly sorted in the trunk.

Luggage Tray
Prevents spillage on the trunk's carpet.

Door Visor
Keeps the rain out and fresh air in.

Door Handle Protector
Offers both protection and added style. Designed with a black carbon pattern finish for a sportier look.

Body Side Molding
Designed to enhance your SUV's overall appearance and attitude.

Rear Kicking Plate
Protects the back door floor panel from scratches while adding style to your vehicle.

Exhaust Pipe Finisher
Adds a bolder and eye-catching aesthetic to your family SUV.

Floor Mat
Protects your carpet from premature wear and stains. Equipped with retention clips to keep it in place.

NISSAN GENUINE ACCESSORIES

Command everything with style that matches the New Terra's capabilities and premium features. Enhance its exterior and interior according to your preference with these genuine accessories.

At Nissan, our customers are at the heart of everything we do. From sales, to maintenance, and to our accessories, we work to deliver quality products and services.
